JOB DESCRIPTION

General Job Title: .NET developer

Basic Function & Scope of Responsibilities:

We are looking for a .Net developer to build software using languages and technologies of the .NET framework. Your primary responsibility will be, to design and create desktop applications layers from scratch, to coordinate with the rest of the team working on different layers of the infrastructure, to configure existing systems and to provide user support. In this role, you should be able to write functional code with a sharp eye for spotting defects. You should be a team player and excellent communicator. Your goal will be to work with internal teams to design, develop and maintain software.

Principal Responsibilities:

❑ Participate in requirements analysis.
❑ Collaborate with internal teams to produce software design and architecture
❑ Write clean, scalable code using .NET programming languages
❑ Test and deploy applications and systems
❑ Revise, update, refactor and debug code
❑ Upgrading, configuring and debugging existing software
❑ Integrate data storage solutions
❑ Ensure the best possible performance, quality, and responsiveness of applications
❑ Identify bottlenecks and bugs, and devise solutions to mitigate and address these issues
❑ Serve as an expert on applications and provide technical support
❑ Develop documentation throughout the software development life cycle (SDLC)

Education Requirements:

BSc/BA in Computer Science, Engineering or a related field

Training, Skills, Knowledge & Experience

❑ Strong understanding of object-oriented programming
❑ Strong knowledge of .NET framework
❑ Knowledge of at least one of the .NET languages (e.g. C#, Visual Basic .NET)
❑ Knowledge of Microsoft SQL Server. Familiarity with database schemas and relation
❑ Working experience with source control Git.
❑ Skill for writing reusable libraries
❑ Familiarity with architecture styles/APIs (REST, SOAP)
❑ Excellent troubleshooting and communication skills
❑ Familiar with scrum methodology
❑ Good communication and documentation skills.
